President's message

Well, I'm not sure whether to write in the president's message or the editor's section. Due to work conflicts, I have decided not to run for president in 2002, but agreed to take the editor's position. I will try to keep the newsletters simple, delivering club information, keeping entertaining "fluff" to a minimum.

I want to try e-mailing the newsletter to anyone interested. This would not only save the club a little money, but also save me some folding/stuffing/licking...not that I am complaining. I would send it as a word document attachment. If you are interested, e-mail me to let me know at and_emo.net

I would like to try having a little "buy and sell" section in our newsletter. Also, if you "discover" any good merchants and would like to share these with the memberships, I will add them to this section.

On behalf of the entire executive, I would like to wish all members a wonderful Christmas, as well as health, happiness and horsepower in the New Year. André

Important Reminders

The **December meeting** will be held at the Pony Corral on Nairn, December 4th, at 7:00pm. This will be our annual Christmas get-together. We will take care of a few items as well, such as voting for next year's vice-president. We are planning to have a "special guest" for the kids, so we do need a head count...if Crystal has not already talked to you, call her and let her know at [REDACTED].

We **will** have a January meeting this year, 7:00pm, January 8th, Park Pontiac. We normally don't have a meeting in January, but we have to deal with the purchase of a new display. Bernard and his committee have been investing a lot of time into getting this done, and we need to approve/vote on this so it can be built in time for the World of Wheels.

If you are interested in participating in the **World of Wheels** this year, contact Wade at [REDACTED].

Club Jackets: Star sporting goods has notified us that their prices for our club jackets will be going up in January...5-10%.

together. Pony Corral at Nairn.

Wade presented MACC minute
meeting. Lengthy discussion was
held on MACC calendar of events.
Should we allow everyone to
place their events in the
schedule if it conflicts with
MACC clubs dates? Wade will
take back our
thoughts- everyone can advertise
provided non- club events are
stipulated and charged an
additional fee,

Wade and Gail dropped off the
cheque to variety Club for
\$ [REDACTED] from the GMAC show.
They were very impressed and
grateful. They pulled the
President of the Variety Club

out of a meeting to accept the
cheque personally!

Variety Club logo will change
for this year. In conjunction
with Disney the logo - heart
will gold with the wand from
Fantasia being featured.

the club what a great job Ted
did for the Corvette Club.
Considering doing something
similar or create something new.
