Editor's Message

Well gang we are having a BLAST of a year! It's great to see everyone taking advantage of what your Club has to offer. We are heading in a great direction guys, I can't tell you how positive it is for us all.

The Lion's Steinbach Show was another great success for your Club. Fourteen members came out on the Sunday, not to mention those who were in Steinbach with Bob Chabella, giving our club the distinction of Member Participation. We had some award winners in quite a few classes! Great participation everyone, it does say a lot about our Club. While our Club too a first place cash award, your executive

made a decision then to donate the first place award back to the Lion's. The Lion's thanked the Club for the donation and were surprised with the whole turn of events That's the way to go guys! So ya see That's quite a blast coming into the 2003 Season.

A big welcome to Larry and his son Paul. Nice ride!

Drive Safe!

- Since the question was asked last meeting the question was posed again by a member that if MAAC has several thousand dollars in their account, Why? Why so much? What are these funds for? Is a cash reserve necessary, maybe we should just looking a set fees when issues arrive. Each club pays these funds and it could be going back to charity. Would like a reply from MAAC. Wade will look into at the next meeting.
