Yes, this address is a handful, but it's not costing us anything!

May 1st is the due date for club membership dues. Due to our continued success with the Blue Bomber parking, we are able to keep our annual dues at \$██████. If you cannot make the next meeting (June 5th, 7:00 PM, Park Pontiac), then you can mail a cheque to:

Grand Manitoba Charities Autofest 2001

Again, this name is a handful, but when five clubs get together to put on a HUGE show, its gotta have an impressive name. Because of the size of this show, we cannot accept registration at the gate...if you want to show your car, you MUST send your registration in to the address listed on the registration form. Come out and be part of this huge event!
